

Right to Life of Michigan

2022 Election Prayer

God you are the Creator and giver of life. We ask you Father to provide us with wisdom, with opportunity and with the words that will convict and convince our fellow citizens to put protecting all human life first in their voting choices.

Lord give us the courage to speak openly of the importance of voting for candidates who will protect the innocent unborn who don't yet have a voice.

Father we look to you to open doors that will provide the financial resources to win this battle to protect life. We ask you to raise up laborers and supporters so that prolife candidates will be elected and every proabortion initiative will be defeated.

Bless us and give us the strength we will need as we work within a culture that has devalued life. We pray for those who curse us and oppose us. We ask that their hearts will be touched and their minds be renewed.

Lord enable us to not be weary but to work diligently for a culture that values and loves every person from the innocent unborn, to the elderly frail.

We ask this in the name of the Father, the Son and the Holy Spirit.

Amen
