Many of our churches are struggling to reach teens and young adults. In addition, youths are bombarded with cultural messages that abortion is not only acceptable but should be celebrated. Right to Life of Michigan is developing an outreach program, **MiGen Leads**, that seeks to bring together a broad group of students and young adults from all backgrounds and walks of life. The purpose is to advocate for a choice for life and support women in need while having fun, making connections, joining in prolife service projects, and helping people make a choice for life themselves!

Keynote Speaker: Jazlyn Bailey is the MiGen Leads Coordinator (Youth and Young Adult Outreach) for Right to Life of Michigan. Jazlyn earned a bachelor's degree from Grand Valley State University in History with an emphasis in Secondary Education and a minor in Psychology.

We will also be introducing the new Faith Outreach Coordinator from Right to Life of Michigan, Ken Stults.

Clergy, Youth Leaders or Designated Representatives plus a guest are free.

The general public is welcome at a cost of \$25.

Please RSVP to reserve your spot to: Marian Sylvester at 734 675-9392
